Final word of the year from Mr Chapman

As we begin the summer holiday and end a successful academic year, I wanted to take the opportunity to thank a number of people who are vital for our continued success as a school. Firstly, to all of our super team in school... all colleagues have shown commendable efforts and commitment to CARE for all this year. I would particularly like to mention Mrs Crowley and Mr Way for their amazing efforts! Secondly, you as parents for your support and strength before, during and after the very 'tricky' period of lockdown – your efforts during the enforced closure were fantastic and very much appreciated, a huge thank you from us! And finally, the children themselves for the care they have consistently shown for each other, our school and their own learning. We have achieved so much success and we will continue to go far, together! For those families who are leaving us, farewell and good luck with your new adventures. For those returning, we wish you a wonderful summer break and look forward to seeing you again in September!
