Update from Mr Chapman

Another successful week of learning has taken place across our school as we continue to increase 'in school' learning. Yesterday, we were pleased to host Rob Olver from Forces Television for a news special outlining the successful return so far to school for our learners. We believe the news special will 'air' on Forces TV on Monday evening, however don't worry if you miss this as we will also communicate the feature on our various social media platforms.

Back in March, just prior to our enforced closure, we asked you all how we were doing ... below is a summary of the completed returns to the questionnaire. **There were many positive comments and some development areas identified which we have, and will continue to address to maximise the effectiveness of our school for all learners and families.** Thank you to all who gave their time to provide feedback to us.

	<i>Return from 37 completed questionnaires</i>	Strongly Agree	Agree	Disagree	Strongly disagree	I don't know

2	My child feels safe in school.	83%	17%

8	The school is well led and managed.	73%	24%			* x1 return
9	The school responds well to any concerns I raise.	76%	15%	*x1 return		*x2 returns
10	I receive valuable information from the school about my child's progress.	78%	19%	*x1 return		
11	Would you positively recommend this school to others?	89%	11%			

Finally, I would like to welcome Hailey Holden to our school. Hailey has joined Year 4 Dortmund Class from SHAPE School in Belgium. We hope the Holden family enjoy their time learning with us here at Attenborough. Please do continue to stay safe and well. I hope all have a lovely weekend!

### **Nurturing Nature with Team Nervais!**

Well done to the Nervais family for their fantastic efforts to Nurture Nature and support SSAFA by growing and selling lettuce for our local community from their own back garden! The family enjoyed planting and caring for a variety of vegetables and I'm sure that they tasted delicious. **#changemakers of our future – we are proud of you for your kindness and efforts to nurture nature** 😊

### **#changemakers**

I wonder what else we could grow / nurture in our back gardens or outdoor spaces? Also, what else can we do to support great charities and improve the lives of others?

### **More Reading success in school!**
