Update from Mr Chapman

Letters from Sir David Attenborough

As part of our changemaker 'global citizenship' curriculum, when thinking about 'Leading the Way: Power and Governance', Y3's and Y4's in Dortmund group have been considering how Attenborough's student voice organisations (School Council, Environmental Officers and Sports Ambassadors) could help adapt, develop and sustain the local and global environment. As part of the theme, the children researched Sir David Attenborough and explored his studies on the global crisis that their generation is likely to face. The children were shocked at the negative impact humans have had on our planet and therefore decided to reflect on their own global footprint and take responsibility for their actions, whilst also encouraging a positive change in others. After some careful planning and informed discussions, the children expressed their views and ideas for future initiatives in a series of letters to Sir David.

We were absolutely delighted when Sir David decided to respond in recognition of the children's commitment and innovative ideas. Well done to Mr Sherwin and our Y3/4 changemakers.

School Information

Christmas dinner and Christmas Jumper Day

The school Christmas dinner will take place on **December 9th** and is free to all students who book it. It will also be the School Christmas Jumper day, so all students are encouraged to wear Christmas jumpers on this day.

Children in Need

Thank you to everyone who donated to Children in Need, this year we raised **€166.38** for the cause.

Jackets in School

With the weather getting colder and wetter at this time of year, we would like to ask that all children bring in an appropriate jacket to keep them warm and dry throughout the day.

Flu vaccination

All children whose parents gave consent have received their flu vaccination today, they were carried out orally by the Sennelager Medical Centre nurse in school.

COVID Information

Thank you to all parents for providing a Mouth and Nose covering for all Y1-6 children and for continuing to adhere to our COVID restrictions in school and on our school site. To keep Mouth and Nose Coverings clean the World Health Organisation recommend the following best practice:

Wash fabric masks in soap or detergent and preferably hot water (at least 60 degrees Centigrade) at least once a day.
