

A photograph of children playing on a grassy field, framed with rounded corners. In the foreground, a boy in a red long-sleeved shirt with 'NEW YORK' and 'HEMADSK' printed on it is jumping or running with his arms raised. To his left, another boy in a bright green Under Armour t-shirt is running. In the background, several other children are standing or moving. The field is green with some pink and blue cones or markers. Trees and a fence are visible in the distance.

**Attenborough's Physical Education curriculum provides our learners with the skill and knowledge to lead healthy and active lifestyles.**
