

January's Achievement Bulletin

Monday 31st January 2022

Update from Mr Chapman

I wished to extend a warm welcome back to all from the Christmas leave period. Despite ongoing 'tricky' times at the start of 2022, with COVID continuing to impact our school procedures and planning... we continue to rise above! I'd like to thank all parents for their support and understanding with all COVID measures (mouth and nose coverings, quarantine, self-testing and isolation) and I'm hopeful as 2022 continues, we'll see a gradual return to previously known 'normality'.

Within school, January has been a hive of productivity and achievement. Our monthly achievement bulletins will aim to further celebrate the individual and collective achievements of all, by all in our school community.

Collective Success: 'WE CARE about learning, each other and our school'

Attainment success in comparison to Juniper UK assessment tracking network (+6500 schools)

After our December 2021 teacher assessment of all learners, last week we were pleased to receive Juniper UK's analysis of our reading, writing and mathematics attainment performance compared to over 6500 Juniper registered primary schools. The analysis demonstrates our continued strong performance in the core learning skills with Mathematics performance in 5 of our year groups representing as significantly above the average. **As a whole cohort (Years 1-6), we also compare very favourably with significantly higher attainment: Reading +10.6%; Writing +15.0% and Mathematics +10.4%.**

In summary, our Attenborough mindset is that we have a lot to be happy about, but also still a lot to learn, re-think and improve.

- School dinner payments can now also be paid online in addition to (in cash) at the main School Office. Thank you to all parents who have already settled outstanding school dinner invoices, for those who haven't please do so as soon as possible.
- As COVID transmission rates continue to remain very high in the Paderborn District, may we kindly thank and remind all parents of Y1-Y6 pupils the importance of providing a mouth and nose covering for each school day until further notice. (Fabric, surgical and FFP2 can all be used)
