

Remembrance update from Mr Chapman

In school last week, the children experienced a number of remembrance events and learning opportunities. On Wednesday 10th November, we welcomed Padre Downes who led a values-based assembly with a remembrance theme. The children's knowledge throughout the assembly impressed us all, including Padre, who commended them for their knowledgeable and considerate responses.

This was followed on Thursday 11th November with a visit from the Royal British Legion (RBL). Mr Gobie delivered an informative presentation to the children prior to the whole school community respectfully observing a 2-minute reflection/silence at 1100hrs. The content of the RBL presentation included a variety of sources and the children were again able to demonstrate both a secure understanding of the importance of the act of remembrance and significant historical recall. In addition, they were reminded that our acts of remembrance also represent our hopes for a peaceful future for all. Mr Gobie's visit concluded with thank-you gifts for the children, with all in attendance receiving items such as pencils, rulers, wrist bands and erasers. Finally, on Sunday 14th November, a selection of the Senior Prefects represented our school at the Garrison Remembrance Service. Our wreath was laid with respect and Flanders Field recited as part of the official ceremony. We would like to thank all the children for their contribution to remembrance this year, and to the creation of our school wreath. Special thanks also to Mrs Woodings for her efforts toward the wreath's construction.

Congratulations to our newly elected 2021-22 School Council
The new representatives are: **Y1/2 Anna Parkinson and Luca Wallace**;
