### Christingle: Anglo-German family service

Anglo-German families enjoyed the anticipation of Christmas during a joint service at Abdinghof Church on 09<sup>th</sup> December. Festive Christmas sounds filled the renovated Abdinghof Church during the annual Christingle Service, accompanied by the British military band of the Royal Air Force Regiment under the musical direction of Flying Officer Michael J. Howley. It was organised jointly by Attenborough and Luther primary schools and the two clergymen, Reverend Nick Adley and Pastor Dr Eckhard Düker. Cantor Tim Gärtner played the organ. At the end of the service, all children received an orange decorated with a candle and sweets, representing the light of Christ- all of which were prepared by children in our school.

## British Forces Social Work Service Overseas (BFSWS)

BFSWS is now offering Togetherness, a free online learning service giving overseas Military families access to resources to support each stage of parenting, including difficult/challenging times, understanding everyone's wellbeing and emotional needs. Togetherness pathways are designed to make childhood development knowledge and psychological principles about containment, reciprocity and behaviour management accessible to everyone. The pathways help families, parents, grandparents, young people and carers to understand and manage emotions in everyday life.
