**May Achievement Bulletin**

02 June 2026

**Farewell and good luck**

In May, we said our farewells to **Ribika Gurung and George, Delilah & Matilda Baldwin**. We wish them all the very best of luck with their next adventure in the Uk, we will miss them all!

Also, **Mrs Walker** had her last official day in school. She has been a fantastic support to colleagues and pupils in our school providing teaching cover and valuable 1:1 and group intervention support. Mrs Walker will still be dropping into school to read with the children and will collect her leaving bear and gift in a Friday assembly later in the summer term, prior to heading to Naples, Italy.

**Happy Birthday Sir David!**

This month we celebrated a huge milestone – Sir David Attenborough’s 100<sup>th</sup> Birthday!!

We loved seeing all the different outfits from children, and in celebration Aaron from the NAAFI even baked us a cake. Thank you Aaron!

We would like to say a huge well done to our Year 6 children, who completed their SATS earlier in May. They dealt with the ‘exams’ very well and we are all very proud of their efforts and achievements.

## Maths Challenge Cup

Our Key Stage 2 pupils (Years 3-6) are using **TT Rockstars** to develop rapid recall for questions involving multiplication/division facts. Our Key Stage 1 pupils (Year 1/2) (KS1) are focusing on rapid recall of number bond, addition and subtraction facts using **NumBots**. Parents, we appreciate your support as all pupils can access the appropriate platform to practise and earn valuable points at home too!

**ATTENDANCE MATTERS**

Term 3 target: +97.3%

Term 3 attendance to date: **97.6%**

2025-26 to date: 97.3%

4% of pupils currently have attendance figures categorised in the UK as 'persistent absence'

### Lee Owston (Ofsted's National Director for Education)

"Poor attendance is highly disruptive. Of course, it's disruptive for those who are absent – falling behind in their learning, missing out on knowledge, losing the opportunity to form friendships. It's also disruptive for the pupils who attend regularly. It creates unpredictability, slows the pace of learning, and takes teacher time from other students."

## 2025-26 Ongoing Reading success

Congratulations to all readers who continue their reading journey with determination. As a school, our readers have so far collectively read and quizzed on **23,770,393 words** since September 2025. Another school record, can we achieve 25,000,000 words in a single year...

Congratulations to **Lourdes Kamanda** who has become our newest Word Millionaire. Also, well done to **Lolla Kamanda** who has read an impressive 2 million words, and finally **Reuben Bennett** has reached an incredible 5 million words this academic year – WOW! An amazing achievement for all 3!
